

Campbell Soup Labels for the Wesley Community Service Center (#5025)

The Wesley Community Service Center, a ministry of the United Methodist Women serves their local community with some the following programs aimed at empowering the poor and marginalized while conveying a message of human dignity and worth for all persons:

- Share The Spirit Holiday Assistance
- GED Preparation Classes
- Summer Camp for ages 5-18
- Emergency Food Boxes
- Income Tax Preparation
- Notary Public Services
- Meals on Wheels
- Emergency Financial Utility Assistance
- Guardianship program
- Community Clothes Closet

We can assist the WCSC by saving Campbell Soup labels....Bring them to any District or Conference event or mail them to the District treasurer...

NOTE: Because WCSC is not a full time education institution, they do not qualify for the "Box Tops 4 Education" program....so soup labels only.
